Challenge Life has traveled to all of the nine sites. Mike Hajdukovich worked with the students in their classes and held a community Family Fitness night in each village. He found people to do after school activities at each site, and gave out sweatshirts to participants.

Students entertained a motion to approved funding to purchase turkey boxes (\$155 supplies + \$125 for shipping = \$280 TOTAL) for student fundraisers to any site who wanted to raise money. Motion passed, student representatives from the following sites requested boxes and here is what they did with the box:

Kaltag- raffled the turkey box off at the school Thanksgiving luncheon to raise funds for the cross-country ski team; they made \$196.

Allakaket- Held a Thanksgiving feast at the school and asked a volunteer to help sell one dollar chances to win the turkey food box. Community members put down their name next to a number. They had 70 slots and sold 50 of them at one dollar.

Hughes School.

Ruby- Raffled it off for \$421 bucks towards a high school trip.

Nulato- held a raffle for the turkey box and drew for it on November 21. They made \$430 from the raffle.

Student representatives voted to approve Minto's request to host Phlight Club. Students entertained a motion to have Phlight Club earlier in the year rather than later, dates suggested were January 27-30, 2013 to work around the Basketball Tournaments.
