

Health Care Camp

The Yukon-Koyukuk School District (YKSD) is excited to invite bids for the provision of a comprehensive Career and Technical Education (CTE) Program. This program aims to equip our students with practical skills, hands-on experiences, and relevant knowledge that will prepare them for success in their future careers. We encourage interested parties to submit bids for the CTE Program, ensuring a well-structured and enriching learning experience for our students.

Program Details:

- **Duration:** The CTE Program should span [duration], providing students with a thorough understanding of the chosen field(s).
- **Participants:** The program will accommodate [number of students] students, offering them the opportunity to explore and excel in the CTE disciplines.
- **Focus Areas:** We are particularly interested in bids that cover [specific CTE disciplines or areas of focus]. Bidders are encouraged to propose a program that aligns with these focus areas.
- **Program Structure:** The proposed program should encompass a mix of theoretical instruction, hands-on training, practical projects, industry exposure, and relevant certifications.

Program Components:

- **Curriculum Development:** Develop a comprehensive and engaging curriculum that covers essential topics and skills within the chosen CTE discipline(s).
- **Hands-on Training:** Provide students with practical training opportunities that mirror real-world scenarios, enabling them to apply theoretical knowledge effectively.
- **Industry Partnerships:** Collaborate with industry professionals and local businesses to offer students insights into current industry practices and trends.
- **Certifications:** Incorporate opportunities for students to earn industry-recognized certifications that enhance their employability and career prospects.
- **Career Pathway Guidance:** Offer guidance to students regarding potential career pathways within the chosen CTE field.

Bid Submission: Interested parties are requested to submit bids to [contact email]. Bids should include the following information:

- **Program Overview:** A detailed overview of the proposed CTE Program, highlighting the program's structure, objectives, and expected outcomes.

- **Expertise:** Information about your organization's expertise in delivering CTE programs, including any relevant experience, certifications, and credentials.
- **Curriculum Outline:** Provide an outline of the curriculum, including topics, instructional methods, and assessment strategies.
- **Program Delivery:** Describe how you plan to engage students through hands-on training, industry partnerships, and other program components.
- **Budget:** Submit a detailed budget that includes costs for curriculum development, instructional materials, instructors, certifications, and any additional expenses. Cost should be listed as price per student.
